RESPONSIVENESS AND DYNAMIC POWER.

ALL THIS BROUGHT TOGETHER IN AN ICONIC  
86 LOOK THAT IS ALL ATTITUDE.

THE TOYOTA 86 CALLS  
BUSINESS TO A CLOSE,

AND SAYS "IT'S TIME TO PLAY".  
TIME TO STEP INTO ITS WORLD

AND LEVEL-UP TO THE  
DRIVER YOU ARE MEANT TO BE.

**GO!**

**PLAYER 1, ARE YOU READY?**

THE COUNTDOWN TO PURE DRIVING  
EXCITEMENT STARTS NOW. DESIGNED TO BE  
THE PERFECTLY BALANCED DRIVERS' CAR,  
THE TOYOTA 86 IS MADE FOR THRILLS – A CAR  
LOVER'S FIRST SELECTION. IT'S THE CHARGED-  
UP LIVEWIRE SET TO UNLOCK YOUR DRIVING  
POTENTIAL THROUGH POWER, PRECISION AND  
UNREAL RESPONSIVENESS THAT LOVES  
TO CORNER THEN BURN UP THE STRAIGHTS.

Start your urban quest and turn the streets into  
your playground. Power-up with a 2.0 litre "boxer"  
engine, 147 kW of power at 7000 r/min and 205 Nm  
at 6400-6600 r/min in raw torque. And, get an extra  
boost with a D-4S injection system engineered  
for explosive acceleration.

Stay in control with unreal handling. A sophisticated  
front engine and rear wheel drive combo creates this  
revolutionary feel for perfect gameplay that instantly  
responds and obeys your every command.

A highly rigid, lightweight MacPherson strut front  
suspension gives you even more control and stability  
to explore your fun side, while a double wishbone  
rear suspension creates the kind of agile stability and  
reinforced rear grip that lets you feel perfectly in sync  
with your ride.

And, because sometimes you need to play with the  
volume down, go stealth mode with optimised silencer  
characteristics like increased air cleaner capacity  
and a strengthened intake boot rib.

The 86 is wired to perform, with all the dare and  
brashness you'd want from a sports car and the skill  
and assurance of a seasoned player. The control  
is in your hands. So go play.

THE 86 RETURNS IN AN EXTERIOR STYLING REBOOT, SHOWING OFF THE ATTITUDE AND AGGRESSION THAT MAKES IT AN ICON FOR DRIVING ENTHUSIASTS AROUND THE WORLD. THIS IS MORE THAN A NEW DESIGN, IT'S AN ALLIANCE OF FORM AND FUNCTION WITH EXTERIOR FEATURES THAT EMBODY AND ENHANCE PERFORMANCE WHILE LOOKING SIMPLY FIERCE FROM WHATEVER VIEW YOU SELECT.

**FRONT**

A redesigned front end and grille visually express the new model's power enhancement. The 86 looks charged up and ready to launch at the press of a button, with the tip of the nose being lowered and the grille opening widened to create a wide and low stance.

New horizontally rendered LED headlamps with integrated turn signal lamps emphasise width and add to a look of bold determination on a car that's more than happy to play at night.

**SIDE**

The side on view has a look of pure agility with styling details around the front and rear tyres boosting its

distinctive sports car feel. A fin has been added to the fender garnish to enhance the profile and help suppress body roll, while the new 17-inch aluminium wheels feature 10 ultra-slim spokes with a contrasting bright and gun metal grey finish to give off a striking 3D impression.

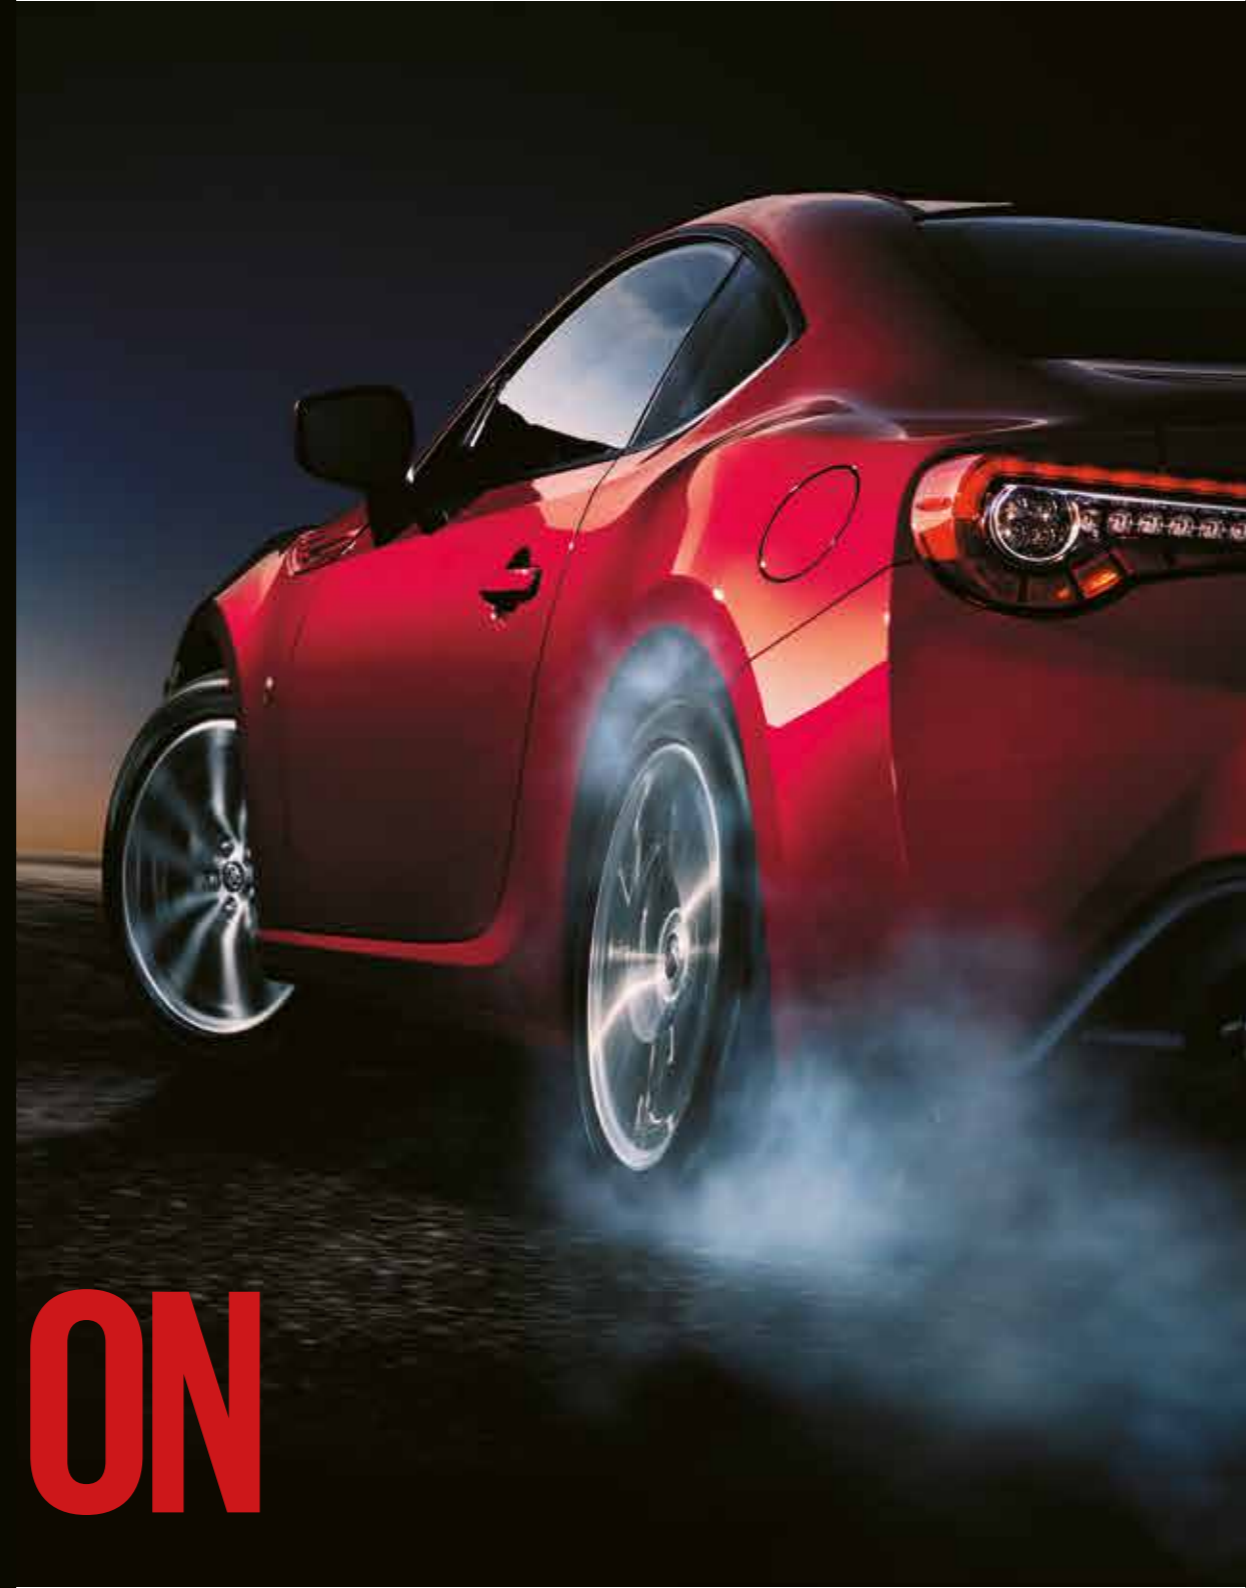

**REAR**

As with the front design, the rear diffuser has been widened too, emphasising an athletic wide stance and the bottom bumper has been lowered to maximise aerodynamic performance. Rear display comes in full LED too, with re-rendered rear combination lamps embellished with ornamentation ring details and an added solid line of LEDs.

Finally, an aluminium wing-type spoiler (High-grade only) is the perfect finishing move on a stylish design, boosting aerodynamics and rounding off a look of attitude and agility.

This isn't just an exterior expansion pack, this is style merged with high performance and the 86's always-on, street-ready attitude. If you're looking to play, this is the best looking console around.

DRIVING ENTERS THE COMFORT ZONE WITH REFINED INTERIOR FEATURES AND DISTINCTIVE SPORTS CAR STYLING, DESIGNED AROUND THE DRIVER. WITH LOW RACE-CAR SEATS THAT PLACE YOU RIGHT IN THE CENTRE OF THE ACTION, AN IN-YOUR-FACE FEEL AND UNDENIABLE SENSE OF ONE-NESS WITH THE ENGINE, THE 86 IMMERSSES YOU IN EVERY MOMENT OF THE DRIVE.

# IN THE GAME

More functionality comes with increased quality and attention to detail that still embraces the 86's sports car soul. The unified "all-black" interior accentuated by buckskin-pattern upholstery on the instrument panel, meter hood and door trim add to the sports car feel while reducing the reflection of outside light for a clearer view of the game ahead.

The High-grade 86 model goes an extra mile with characteristic sports car multi-displays coupled with stylish, high-quality leather-facing seats.

High models also come standard with steering switches for more control, while keeping your hands on the wheel.

There are more features at your fingertips too, like **cruise control\***, **auto dual-zone air-conditioning\*** as well as **Bluetooth/ USB and Aux connections** to keep you plugged in and to turn up your comfort to the highest level when you're in Play, Career or Life Mode.

## SAFE ZONE

THE THRILL OF THE DRIVE SHOULD BE ABOUT EXCITEMENT, NOT RISK. SO, WHEN IT COMES TO SAFETY, THE TOYOTA 86 HAS GOT YOUR BACK. YOUR RIDE IS YOUR SAFE ZONE, EQUIPPED WITH ALL THE ATTRIBUTES TO SHIELD AGAINST ANY OBSTACLES THE OUTSIDE WORLD MIGHT THROW AT YOU.

Standard safety features include: Anti-lock Braking System (ABS), Brake Assist (BA), Electronic Brake-force Distribution (EBD), Hill Assist Control (HAC) and Vehicle Stability Control (VSC) to keep you firmly in control or bring the game safely to a halt when you need to.

Max stopping power is also enhanced by 15" ventilated front brake discs (16" on High-grade models) and 15" rear brake discs (ventilated on High-grade models). A combination of driver and front passenger curtain, knee and side airbags provide a reassuring force-field, while ISO-FIX seatbelt anchors in the rear ensure maximum child passenger safety.

And, when play time is over, a standard immobiliser, wireless door locking (Smart entry on the High-grade models) and auto-door locking systems let you rest easy knowing the 86 is as secure from the outside as it is safe on the inside.
